What is CLOBAS

Clobas® is a total integrated cloud based Pre- School management system that contains all prime functionalities including Administrative, Academic, Learning Management, Communications and Productivity. It is an interactive platform for management, staff, student and parent to manage and collaborate with day-to-day school associated tasks more efficiently and effectively from anywhere and anytime.

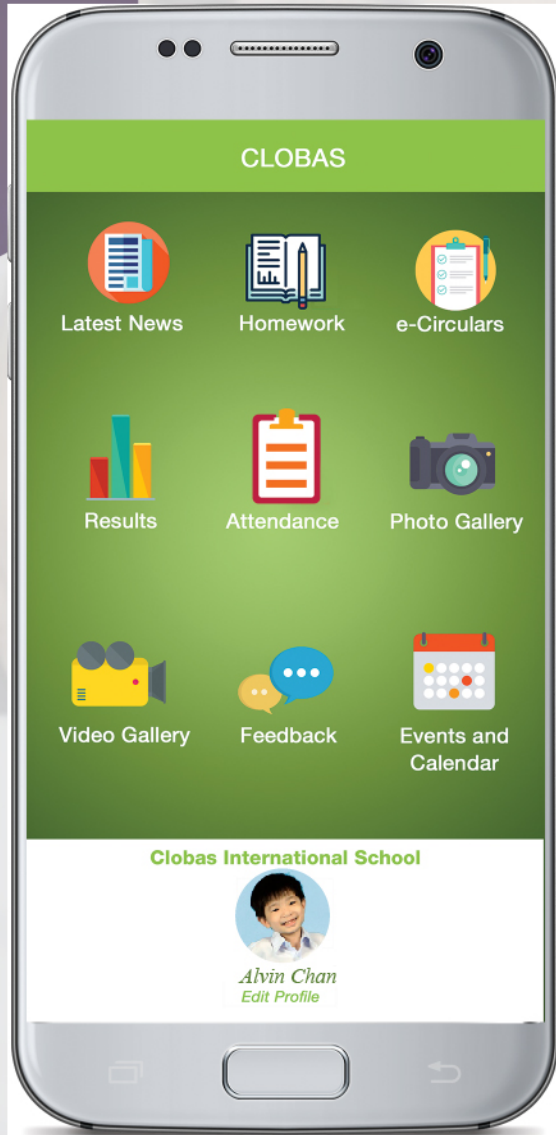

Why CLOBAS

- ◆ Zero up-front investment on hardware and software as it is on cloud.
- ◆ It is designed & developed through research by top class technocrats and domain experts.
- ◆ Implementation takes only a month from data collection.
- ◆ State of the art cloud solution with Mobile App for Android and IOS.
- ◆ In Built with E-Mail and SMS Notification.
- ◆ Dedicated Technical Support Team.

Clobas Mobile app

In addition to our cloud based system, Clobas also has a comprehensive mobile app for school management.
